Beck Withholds  
Financial Records

WASHINGTON (UP)—Dave Beck, president of the powerful Teamsters Union, has failed thus far to hand over his personal financial records to the Senate Rackets Investigating Committee.

This was disclosed today by Robert F. Kennedy, committee counsel, as the committee prepared to resume hearings Tuesday on charges Teamster officials were linked with vice, gambling and political influence on the West Coast.

Meanwhile the No. 2 man in the Teamsters Union, James R. Hoffa, said in Detroit the Senate hearings "have amounted to nothing so far." He said he has seen nothing in the hearings to "implicate" Beck or Frank W. Brewster, a Teamster vice president accused of links with racketeers and vice in testimony last week.

"All I have seen is that some unreliable witnesses have testified they heard somebody tell somebody, but there's no real evidence to back anything they have said," said Hoffa, himself a Teamster vice president.

Western Teamster officials gave Brewster a vote of confidence Saturday.

Girl, 4, Died  
Of Starvation

BELLMAR, N. J. (UP)—The apparent starvation death of four-year-old Mary Jane Barker whose body was found Sunday in the closet of an unfinished house caused conflicting theories among authorities today about her disappearance.

A playmate found Mary Jane's fully clothed body, huddled alongside a puppy, six days after she disappeared from her home, less than two blocks away.

An autopsy showed that the blonde, blue-eyed girl had not eaten since leaving her home to go out to play last Monday. She was last seen several hours later playing with the puppy, which belonged to six-year-old Mary Freitta, who found the body.

A spokesman for the coroner's expressed the opinion that the child had wandered into the closet, became trapped, and then died of fright and starvation.

Five Killed In  
Airplane Crash

SEATTLE (UP)—The bodies of five persons killed in the crash of an Alaska Airlines DC4 Saturday night were brought out from rugged Olympic Peninsula foothills Sunday.

The plane crashed only 18 minutes before it was scheduled to land at Seattle-Tacoma International Airport. A Coast Guard helicopter found the wreckage early Sunday, about 50 airline miles northwest of here.

The plane was last heard from Saturday when pilot Larry Currie of Seattle, flying in "reasonably clear" weather, radioed he was over Dungeness, Wash., a standard check point for inbound Alaska flights. He gave no indication of trouble. The big plane crashed minutes later.

The other victims were identified as co-pilot Lyle Edwards of Seattle; Stewardess Elizabeth Goods, Robin, Kan.; and passengers Leroy Kelly and Constance Reppert, Fairbanks, Alaska.

General Assembly  
In Final Week

INDIANAPOLIS (UP)—The Indiana Legislature, with one of its three top issues resolved and a second near solution, opened its final full week of a 61 day biennial session today with attention divided among dozens of comparatively minor bills.

The "right to work" bill passed and ready for enactment Tuesday when a three day waiting period without the governor's signature ends, lawmakers concentrated on finishing up work on the 769 million dollar biennial budget and bills which will raise taxes to meet the unprecedented expenses.

Only the controversial "time" issue remained almost completely unresolved between proponents of "fast" and "slow" time.

The budget originally was expected to move out of the Senate today toward a conference committee. But senators this morning seemed reluctant to approve a plan for using an expected general fund surplus for special construction projects without attaching some legislative strings.

An administration leader said action on the construction bill of the two budget measures probably will be held up until Tuesday while a clause is inserted to list the special projects in priority order. He said top priority likely will go to additional money for the Veterans Memorial Fund for school construction use, and to a seaport for Lake Michigan.

A Senate-passed bill putting teeth in a law requiring Indiana to stay on Central Standard Time the year round was due for a final showdown in the House. At least, it was on the calendar for third reading. The bill originally called for six months of "fast"

PREMIER ORDERS  
ISRAELI TROOPS  
TO WITHDRAWACTION CALLED AN "ACT OF  
FAITH" IN THE UNITED  
NATIONS

Premier David Ben-Gurion today ordered Israeli forces to withdraw from the Gaza Strip and Gulf of Aqaba areas "as an act of faith" in the United Nations.

The order was transmitted to Maj. Gen. Moshe Dayan, Israeli army chief of staff, who was told to meet immediately with Maj. Gen. E. L. M. Burns, commander of the United Nations Emergency Force, to complete plans for the withdrawal.

Ben-Gurion planned to make his formal announcement of the withdrawal to the Israeli parliament Tuesday.

Today's announcement followed a hectic weekend during which Ben-Gurion fought off opposition at home and sought further clarification of U. S. views from Israeli representatives in Washington and New York.

Official sources said the Israeli cabinet's decision was based on a message from President Eisenhower to Ben-Gurion early Sunday.

In parliament, Ben-Gurion faces a motion of no-confidence introduced by the Herut opposition party. In effect, Ben-Gurion has gone against a probable majority of Israeli public opinion to withdraw from the disputed areas. If he does not survive the parliamentary vote, he will not be able to enforce the withdrawal decision. He was expected to win it, however.

JERUSALEM (UP)—Israeli Premier David Ben-Gurion today delayed until Tuesday a decision on Israeli withdrawal from Egyptian territory.

He gave no reason for the delay but it was believed the government was awaiting further information from Washington. It was known he appealed to Washington Sunday night for further clarification of the U. S. stand.

Ben-Gurion had called an urgent cabinet meeting this morning to try to patch up the growing differences in his Cabinet over the withdrawal. He cancelled that.

## NO DICE?

Some congressional sources expect the administration to abandon its idea of asking for a five-cent charge for first class letters, instead of the present three. The reason: No enthusiasm for it in Congress. The administration hasn't made its stand known yet. But it is expected to send a postal rate bill to Congress this week.

**TODAY'S BIBLE THOUGHT**  
Christ also loved the church and gave Himself for it. Ephesians 5:25.—Christ knew the great faults of the church of His day. ## THE MIGHTY CHRYSLER

Most glamorous car in a generation

## When the wind blows — this baby won't rock!

You can buck the strongest blasts of March in the Mighty Chrysler without road-way or hard steering. Impartial wind tunnel tests proved that Chrysler's high rear fins cut down tail-wagging in the wind just as an airplane's vertical tail section prevents side-sway.

Wind or no wind, Chrysler's Torsion-Aire Ride makes the sharpest turns, the

quickest stops, the roughest roads a breeze to take. No other fine car has this exclusive combination of torsion bars, rubber-isolated ball-joints, and outrigger rear springs. It gives you the comfort and safety of a luxury car with the "feel" and roadability of a sports car.

Combine this new kind of suspension with an up-to-325 horsepower engine, a satiny new pushbutton-operated Torque-Flite transmission\*, plus all the other 1957 improvements your Chrysler dealer will show you, and you'll agree—this is your car!

## TIGER CUBS TO MEET TANGIER AT COVINGTON

**WIN WAY TO REGIONAL BY TAKING SECTIONAL FROM ROACHDALE**

County Champion Roachdale's high school basketball team threw a mighty scare into the Wabash Valley Champion Greencastle squad Saturday night but the Tiger Cubs came through, 47 to 41, to win the 1957 sectional tournament crown.

As a result, Coach Tom Goldsberry's netters will meet Tangier, winner of the Rockville sectional, this coming Saturday afternoon in the Covington regional. Crawfordsville, winner of its sectional, will clash with Richland Township, winner of the Attica tourney, in the first game at Covington.

The Valley champs for the past two years were hard pressed during the entire Saturday evening contest, especially in the opening quarter. The Hawks grabbed a 4-0 lead and 4:56 of the period had elapsed before John Ray connected from the field for Greencastle's first two points. The count then went to 7-2 and the frame ended with Roachdale on top, 9-5.

The Hawks put up a valiant fight during the next eight minutes but the Cubs outscored Roachdale, 15 to 4, and went ahead, 20 to 13 at the rest intermission. It was this seven-point advantage that ultimately meant the downfall of the Hawks.

The battle was nip-and-tuck in the third stanza but Greencastle held an 11-point edge, 38 to 27, at the end of the quarter.

Roachdale roared back on the home stretch and outscored the Cubs, 14 to 9. This cut their 7-point deficit at halftime by only one, however, and Greencastle captured the sectional title, 47 to 41.

Byron Gough and Junior Copner were outstanding in defeat for the Hawks. Gough hit for 14 and Copner tossed in 15 for the runnersup.

Chuck Dickson led the Cub attack with 16 points. Bucky Patterson got 14 and Ray collected 10.

Huber, Roachdale guard, suffered a slight concussion in a melee early in the game and was unable to finish the contest. His absence was keenly felt by the Hawk squad and the Roachdale players deserve a world of credit for the fine showing they made in the championship contest without his scoring punch.

**Semi-Final Games**

In the semi-finals Saturday afternoon, Greencastle eliminated Bainbridge, 70 to 46, and Roachdale put Reelsville out of the running, 79 to 53.

The Cubs jumped into a 22 to 9 lead at the quarter and the outcome was never in doubt. Greencastle led the next three stops, 42 to 25, 57 to 34 and 70 to 46.

Dean Wehrman and Jeff Blue were splendid in the Pointers' losing cause. Wehrman dumped in 22 points and Blue got 13.

Ray, Dickson and Patterson spearheaded the Greencastle offensive.

Reelsville put up a fight during the first two quarters against the Hawks. Roachdale was ahead by only three, 17-14, as the initial period ended.

The Hawks clung tenaciously to a six-point margin at the half, 33 to 27.

In the third frame, Roachdale pulled away and led 58 to 40, and then went on to win going away, 79 to 53.

Jerry Lewis stood out in defeat for the Indians as he put on a one-man scoring show, bagging 22 points.

Again it was Gough, Copner and Fred Huber who carried the brunt of the scoring for the Roachdale aggregation.

## ICC Crown Won By Tiger Squad

Coach Cal Luther's DePauw Tigers captured their first Indiana Collegiate Conference basketball title Saturday night when the Old Gold squad downed Valparaiso, 76 to 63, in Lowman Memorial gym. DePauw closed the loop campaign with an 8-2 record and undisputed champions.

Bob Schrier rounded out a four-year scoring record of 820 points in the ICC and his total of 1,399 cracked all DePauw career records for four years of competition. Schrier had been tied for the old conference mark of 799 points established by Don Merki of St. Joseph's.

Valparaiso jumped into a 10-point lead Saturday and DePauw did not go ahead until seconds before the first half ended when Carl Meditch of Indianapolis Tech hit from 30 feet out to make the count 35-34.

The Tigers then dominated play throughout the entire second half to win a 13-point margin, 76 to 63.

## STILL THE CHAMPS

INDIANAPOLIS (UP)—Indianapolis Attucks is still the champ.

The Tigers may not be the high-flying wrecking crew of last year, but a rousing 50-44 upset of Indianapolis Tech is the tip-off that they won't play dead for anybody in defense of their Indiana high school basketball crown.

Round one of the 47th annual hardwood title chase is history; the field has been chopped from 739 to 64 sectional champs, and all top contenders with the exception of Tech are still in the running.

"Well," demurred Miss Win, "I had an even chance to guess right, so it wasn't so terribly lucky."

Actually, luck had nothing to do with the case. Miss Win had been quite sure of what she was doing.

West opened the three of clubs, and Miss Win took the first trick with dummy's ace. She tried the trump finesse, naturally, losing to West's King.

Back came the deuce of clubs, and Miss Win had to ruff. She got to dummy with a trump to ruff out the last club, cashed the top spades and ruffed a spade. West discarded a club on the third round of spades.

It was now time to guess which opponent held the queen of diamonds. The slam could be made by finessing in the correct direction by taking the ace, removing the singleton diamond from the East hand. She could then lead the jack for a finesse through West to make her slam contract.

**DAILY QUESTION**  
 As dealer, you bid one heart

with the following hand: S—9 3 H—A Q 10 7 2 D—A J 10 8 4 C—4. Partner raises to three hearts. The opponents pass. What do you do next?

Answer: Bid four hearts. A bid of four diamonds would be a slam try, and you cannot afford to make the first move toward slam with a minimum opening bid.

**WORKS PROBLEM OUT**

The reader doesn't have to guess, since he can see the queen of diamonds. Miss Win couldn't see it, but she managed to work the problem out.

West could follow to only two spades and two hearts. That accounted for four of his cards. He

had opened the three of clubs and had later played the deuce. This indicated that he had started with five clubs.

Five clubs, two hearts, and two spades accounted for only nine of West's 13 cards. The remaining

four cards had to be diamonds. Since only five diamonds were out, East could have only one. Hence Miss Win began that suit

## Navy Missile Undergoes Test

CHINA LAKE Naval Ordnance Testing Station, Cal. (UP) — A crimson colored World War II Hellcat fighter roared across the Mohave Desert wasteland under a high overcast of clouds, heading for a rendezvous with death less than 60 seconds away.

Out of the clouds, screaming like its namesake, came a Navy delta wing Demon jet fighter. For a few moments it swallowed up the intervening distance. Then — still a good two miles from its prey — it released a pencil shaped missile and banked away sharply as though no longer interested in the affair.

There was a brief streak of fire and smoke as the missile left the plane and speared like a javelin at the fleeing drone.

Frank Meyer testifying.

Josephine Truslow Adams.

FRANK MEYER, who broke with the Communists in the 1940s, told the Senate internal security subcommittee in Washington that artist Josephine Truslow Adams of New York was an intermediary between ex-Communist boss Earl Browder and President Franklin D. Roosevelt. In January she told the subcommittee she saw FDR between 38 and 40 times in the three years preceding his death in 1945. Browder said in New York that there were exchanges of views during years Russia was an ally. (International)

A milk striker aims a kick at Elmer Gesner, who tried to take milk out of the Port Murray dairy in the Newark, N. J., area.

A TENSE situation, fist fights and milk tank trucks overturned, developed in the tri-state area around New York as milk producers boycotted wholesalers in an effort to get the hundredweight price upped from \$4.67 to \$5.75. The "strikers" are members of the Tri-State Master Dairy Farmers guild, of New Jersey, Pennsylvania and upstate New York. Some dairymen, bringing milk to market in defiance of the situation, were armed with pipes and clubs. Pickets met them at destinations. (International Soundphotos)

**'SOMEBODY'S LYING'**

THE "WRONG DOOR" investigation in Los Angeles, in which a state Senate committee is investigating methods and activities of private detectives, reached a climax in these scenes, in which the committee was probing a divorce evidence "raid" on an apartment supposedly occupied by Marilyn Monroe. "Private Eye" Phil Irwin, 24, is shown being sworn. He said Frank Sinatra was in the raiding party. Sinatra (testifying) said he was not, that he waited on the street. Lower: Sheila Stewart Renour, actress in whose apartment Marilyn was visiting, takes oath. That apartment was on another floor. A state senator said, "Somebody's lying." (International)
